3. The new drawings submitted on 11/7/2005 have been received and entered.

In combination with other limitations of the claim, the prior art fails to teach a method for fusing information from plural sources including combination steps for assigning a taxonomic classification based on the compound evidence. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
